**A great gift for the book lover in your life (or for yourself).**

Each month we will put together a list of 6 of our favorite books from a variety of genres (4 for children's categories). Choose the book that you're interested in and we'll get it ready for pick-up at the shop.

## **How much does it cost?**

We have 6 and 12-month options for 5 different categories:

**Adult Paperback:** \$114/\$228

**Adult Hardback:** \$180/\$360

**Baby/Toddler:** \$60/\$120

**Young Readers** (ages 6-12): \$54/\$108

**Children's Hardback Picture Book:** \$117/\$234

## **How will I get the monthly book list?**

Each month we will email a form with the selections for that month. (We will also have a paper form available at the shop, and will keep an updated list on our website). Fill out and submit the form and we'll be notified of your answers. You are also welcome to call or email Sara at 970-247-1238 or [sara@mariasbookshop.com](mailto:sara@mariasbookshop.com) if you need assistance.

## **How will I know my book is ready to be picked up?**

We will email or call when the selection is ready. Please be sure to provide contact information when you sign up.

## **Can the book be shipped?**

Yes, for an additional fee of \$60 for the 6-month subscription and \$120 for the 12-month subscription, we can have the books shipped to the recipient each month.

## **What if I don't like any of the books one month?**

You are welcome to skip a month and choose 2 the following month or choose another title from a previous month's offerings. Just enter the book and explanation in the comments section of the monthly form or contact Sara and let her know your preference.

## **Will I know when my subscription is ending?**

Yes, you will be notified on the last month of your subscription and given an option to continue the service if you'd like.
